

**New Foundations Charter School
Student Policies for Watching NFCS' Sports Events**

In order to provide a safe, secure, and positive environment after school, NFCS is implementing several policies for students who would like to be a spectator at home sports events without the supervision of a parent/guardian. 5th through 8th grade students will be permitted to stay after school on home sporting event dates by agreeing to the policies below, and having a parent/guardian sign the permission slip below.

These policies are listed below:

1. Students who want to stay after school must sign up outside the CARES office at least 2 days prior to the event.
2. All students staying for the sports event must report to the multi-purpose room at dismissal time (3pm) and sit in the designated area.
3. Students will be permitted to receive snack when staying for a home sporting event.
4. Prior to the start of the game, students will be escorted by a teacher to the gym where they will watch the game from an assigned "home student" spectator area.
5. Students must stay in the gym for the duration of the event, or until a parent/guardian has arrived to pick them up.
6. If a student wants to leave the designated gym area during a sports event, they must ask and receive permission from the assigned teacher.
7. Students must be signed out of the building when they leave. This should be done by a parent/guardian, or he/she may sign himself/herself out (only if given permission on the slip below).
8. Students who do not follow the procedures outlined above will not be permitted to stay after school and watch the home sports events.
