

Quick Online Reference Guide

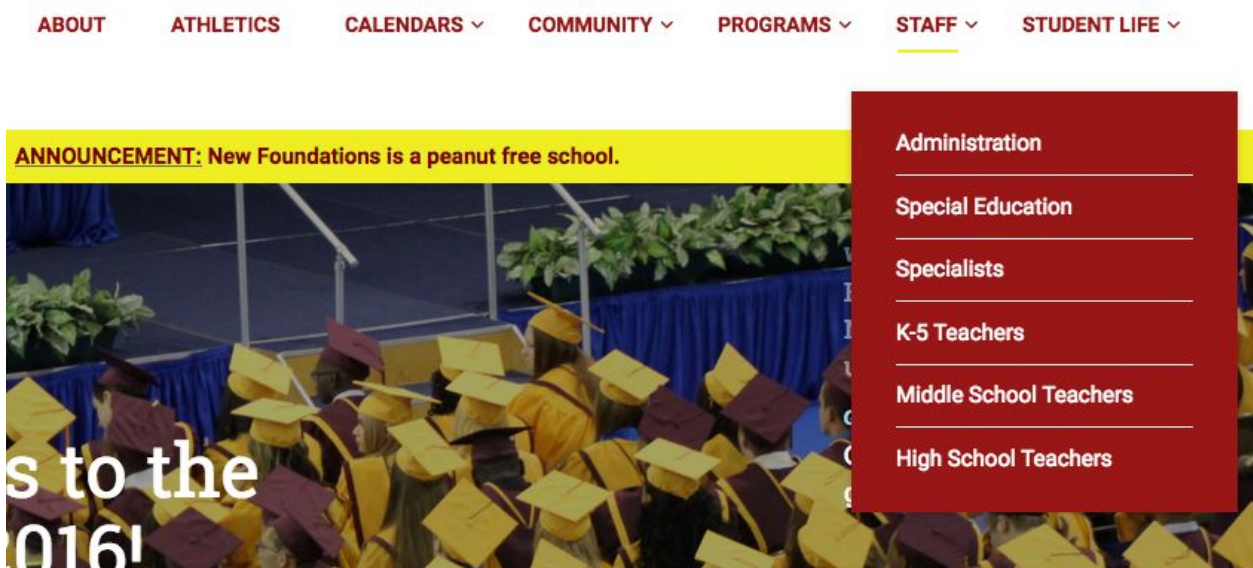

So you're looking for a NFCS teacher's website...

To find a teacher's website, please follow this handy picture guide! Googling a teacher's name will not get you to the correct site.

- 1) Locate your address bar at the top of your web browser and input nfcsonline.org as shown.

- 2) Once on the website, locate the STAFF drop down bar as seen below.

- 3) Choose the grade level option of your child. This will take you to a page with every teacher in that grade range. It will look like this but with more teachers:

Name: Catherine Anania

Education: BA in Education (Saint Joseph's University), M.Ed. (Saint Joseph's University)

Current Classes: 6th and 8th grade ELA

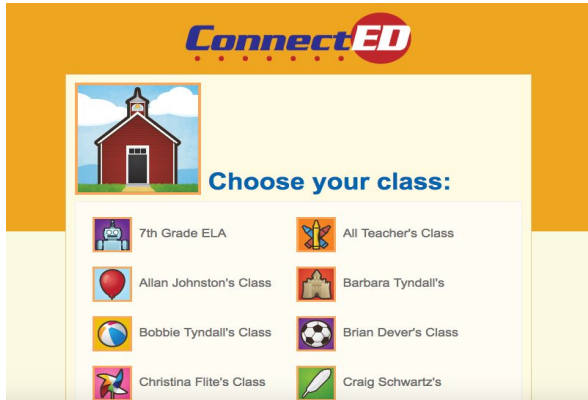

Teacher Site: [LINK](#)

- 4) Click the [LINK](#) to be taken directly to the teacher's Google website. Feel free to bookmark their pages to make your return trips easier!

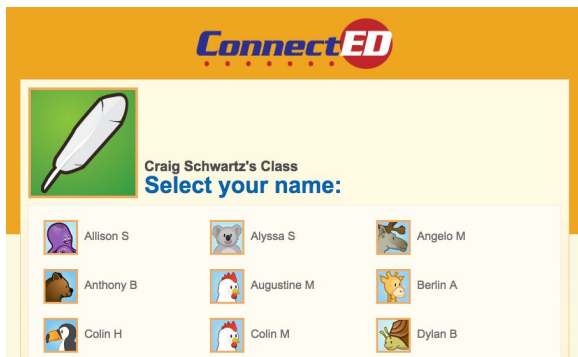

How to Access K-5 Reading Materials Online

Website: <http://connected.mcgraw-hill.com/school/d6g2>

1. Click on the Teacher's Class.

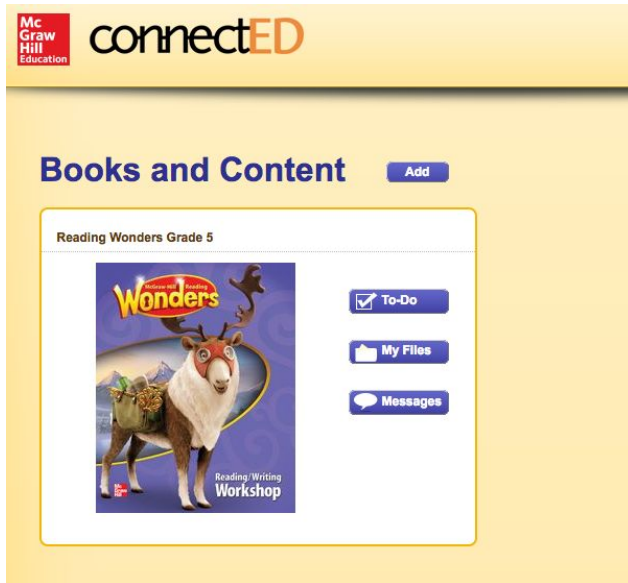

2. Find your name.

3. Click on your specific three picture password (number, fruit, geometric shape)

4. Click the cover of the book.

5. Click on the "RESOURCES" tab

Here you will find many valuable resources including the “Your Turn: Practice Book”

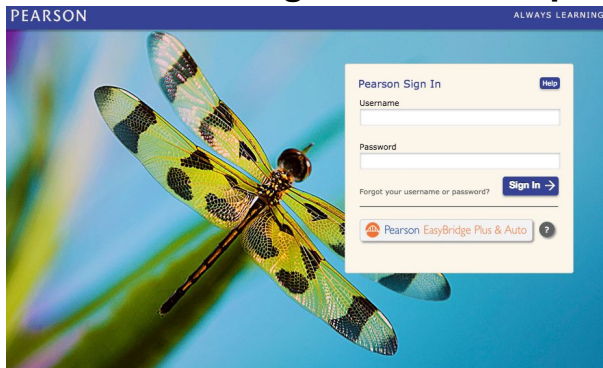

How to Access Math Resources Online

Website: <http://www.pearsonrealize.com>

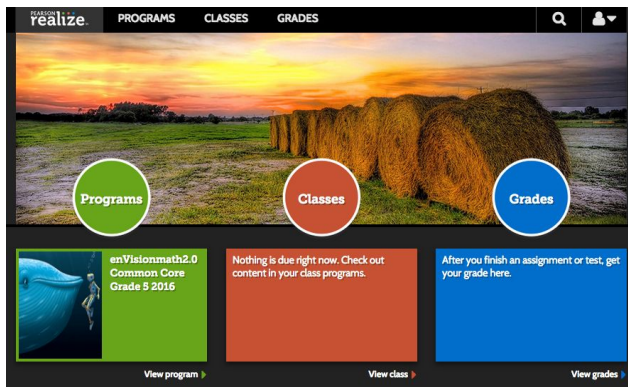

1. Click on Sign In

2. Your username and password are typed in your agenda. The first time you login, you will be asked to set up your account by picking an icon and a background. It is a quick four step process.

3. Click on Programs

4. Click the Topic and Lesson your child is currently completing

enVisionmath2.0 Common Core Grade 5 2016
