By signing below, I understand that it is my responsibility to arrange for transportation upon completion of tryouts, practices, or games, unless I have made arrangements and enrolled my child in the CARES program from 4:30-6:00 PM. If my child is not picked up by 6:00 PM, I will be charged a \$5.00/per 15 minute late fee.

I understand that my child will be participating in tryouts, practices, and pre-scheduled games. I also approve that he or she will be transported to and from field sites by walking, school bus, van, or school insured vehicle driven by a NFCS staff member. Any questions can be directed to your coach or Middle School Athletic Director Zac Tassone at [ZTassone@nfcs.k12.pa.us](mailto:ZTassone@nfcs.k12.pa.us)

## New Foundations Charter School Parent/Guardian – Student Athlete Contract

Being a part of athletics at New Foundations Charter School is a privilege. If chosen, one must realize that there are certain expectations required to remain on the team for the entire season. When we practice, play at home, or at other schools, we are representing not only ourselves but our entire school. This includes classmates, faculty, staff, families, friends, and members of our community. What we do on and off the field is a direct reflection of our New Foundations caring community.

Below is a list of guidelines and consequences for not meeting those guidelines. These will be expected from each athlete and held accountable through coaches, teachers, and the athletic director. If you have a question at any time before, during, or after the season, please feel free to contact your coach. These guidelines were created as an extension of our school policies as stated in the Parent/Teacher Handbook.

### Rules & Guidelines:

1. **Students must maintain passing grades in all classes. If a student's grade is below passing (70%) during a mid-quarter progress report or at report cards, they will be placed on academic probation. This will consist of weekly progress reports on grades, homework, effort, and behavior. If an effort is not being made by the student to pull up their grade, the student is at means to be removed from the team. Academics come first.**
2. **Students must attend all classes, practices, and games on time. One unexcused absence or lateness will result in a 1 game suspension. If three or more occur, the athlete is at means to be removed from the team. A note providing reason must be given to the coach if a student is going to miss class, practice, or game. Tutoring is considered an excused absence and needs no note.**
3. **Students must maintain good behavior at all times. Earning a school detention during the season will result in a 1 game detention. Three detentions will results in removal from the team.**
4. **Students are to be picked up immediately following all games and practices. If a student is to ride home with another parent or guardian, a signed note is required. Students consistently being picked up late are at means for removal from the team. Athletes must check out with their coach before leaving practice or games.**

As stated earlier, if there are any questions or concerns about the rules and guidelines stated above, please feel free to contact one of your coaches.

(Sign and return to coach before tryouts)

.....

I have read each of the rules and guidelines stated above. I understand that I am to be held accountable for my actions before, during, and after the season. I understand that my behavior is a direct representation of our school and I will do my best to adhere to these rules. I also understand that at anytime I can discuss situations concerning these rules with one of my coaches or the athletic director.
