Dear Parents,

Please sign this form if you will allow your child to be a part of our album review club at New Foundations Charter High School. The purpose of the album review club is to introduce students to albums, artists and genres that are influential, overlooked or misunderstood. Artists to be discussed include (but are not limited to) Led Zeppelin, The Doors, Nirvana, Talking Heads, Otis Redding, Nas, The Cure, David Bowie etc.

Our goals as a club are to create engaging discussions, provide historical context of popular music, analyze lyrical content and deepen the understanding of popular music trends. We hope to engage with a variety of different beliefs and opinions on a level that is both though provoking and respectful. No matter the taste in music, everyone is welcome to join!

Some of the albums that will be listened to or discussed may contain adult themes or language. Please be aware that themes or ideas discussed within the club will remain respectful and professional throughout the course of the year. Students will need this form signed by the first day of album review club in order to be admitted.
