Dear Parents,

Please sign this form if you will allow your child to be a part of our 2018-19 Film Club at New Foundations Charter High School that will take place on Thursdays after school. The intent of the film club is to introduce students to prominent films that are traditionally not viewed in conventional classrooms. Including films such as but not limited to, *One Flew Over the Cuckoo's Nest*, *The Silence of the Lambs*, *Citizen Kane*, etc...

Our goals are to watch, discuss, and understand these movies from varying perspectives. Mr. Rufo and Mr. Bullock will co-facilitate this venture and will bring forth a multitude of questions mainly from historical, sociological, and psychological perspectives. Questions that are pertinent to the individual films will also be discussed.

Mr. Bullock and Mr. Rufo expect each member of film club to make contributions to the discussion following each film and also reserve the right to remove any student who does not take the film watching and discussion seriously.

Some of the films to be viewed during film club will have an R-rating. Students will need this form signed the first day of film club in order to be admitted. According to the MPAA rating system, an R-Rating is anything that includes but is not limited to, Adult Content, Graphic Language, Graphic Violence, Nudity, etc... Parents are urged to learn more about the films before the film club views them as well. We will know each film we will be watching a week in advance.
