

JOIN HOME & SCHOOL AT NFCS - TODAY

NFCS requests that each parent/guardian or high school/middle school student support our school by volunteering 20 hours of service for each child enrolled in our caring community.

Becoming an active member of our home and school association is a great way to support classroom activities, school-wide events and is a really good way to accumulate volunteer/service hours.

Becoming a member has it's perks!

Attend scheduled meetings and give your input. Let's try to put your ideas to work and know that you are making a difference in our caring community.

Receive 1 Service Hour just for joining.

Receive Service Hours for attending HSA meetings.

For every Volunteered Service Hour get an additional $\frac{1}{2}$ Hour.

Membership for the year is only \$10.

Join the 2018-2019 School Year and pay only \$5 for membership for the 2019-2020 School year.

SOME OF THE PLANNED EVENTS ARE:

Trunk or Treat
Winter Holiday Selfies with Santa
Winter Holiday Bizarre
