January 2019

Dear NFCS Parents and Guardians:

New Foundations Charter School is very excited to announce that our ***Eighth Annual Raffle Days*** will be held **Thursday, April 4, 2019 through Saturday, April 6, 2019**. We have been able to raise over \$160,000.00 at our first seven raffles, and with your help again we can do even better this year.

Each classroom will be competing and will be making a basket to donate to the raffle fundraiser. The baskets from each room will have a theme. Donations to your child's classroom basket will be accepted and welcomed. The class basket that receives the most chances during the raffle will receive a special prize for the students in that room.

Donations may be an item that goes with the class's theme and can be put in the basket, or a monetary donation so that the teacher may purchase items to enhance their basket. **For each \$25.00 donated to the classroom you will receive 5 hours of volunteer time. That means a \$100.00 donation will give you 20 hours of volunteer time. For item donations, you will receive 5 hours of volunteer time.** Please remember that New Foundations Charter School asks that you do 20 hours of volunteer time per child per year either by donating to this raffle or by other means. **All donations must be received at school by Friday, March 8, 2019.**

Last year's baskets included TVs, i-Pods, a Cash Tree, trips, a grill, camping equipment, and more. We can make this year's raffle even better with your help.

Attached to this letter is the solicitation letter that we are sending out to local businesses and ask that you use this solicitation letter if you know of any merchants who might help our "*Caring Community of Learners*." Also, keep in mind that many employers have been known to be very generous when it comes to school support.

We would like to thank you in advance for your commitment and participation
