There is a two step process for your student to get access to Canvas on their computer. Students will use their school emails to log onto Canvas and will need that access to get to course materials. Example school email: bpersons-student@nfcs.k12.pa.us

**Step 1**

Once you are logged into your school email

Click on the waffle icon in the top right corner

Scroll down in the apps until you see Canvas

**Step 2**

You will now see your dashboard and be able to use Canvas on your computer
